

## PRESS RELEASE

### **Snelling Web Development wins the 2016 Las Vegas Small Business Excellence Award for Web Design**

Las Vegas, NV - December 08, 2016 — **Snelling Web Development was nominated for and won the 2016 Las Vegas Small Business Excellence Award in Web Design, presented by the Las Vegas Small Business Excellence Award Committee.**

#### **About the Las Vegas Small Business Excellence Awards Committee**

The Las Vegas Small Business Excellence Awards recognizes outstanding small businesses that serve the Las Vegas area. Each year, our selection committee identifies businesses that we believe have achieved outstanding marketing success in their local community and business classification.

Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value. Firms such as Snelling Web Development enhance the positive image of small business through service to their customers and our community, helping to make the Las Vegas area a vibrant and vital place to live.

Our mission is to award the small business community's contributions to the U.S. economy.

#### **About Snelling Web Development**

Founded in 1999 and located in Las Vegas, NV, Snelling Web Development is a privately held firm specializing in providing a wide-range of custom website design & development and marketing design solutions for small business, organizations, and the government sector. We specialize in high quality, precision-driven custom website design & development.

We have the experience to understand the Internet needs of the business and organization markets, as well as the U.S. government sector. Our products & services are designed to minimize costs while delivering solutions that exceed the client's expectations.

We build an ongoing relationship with our clients and provide them with a single source for Internet solutions, website design & updating, and marketing design solutions as their business needs grow.
